

FINANCIAL ASSISTANCE SUMMARY

Texas Scottish Rite Hospital for Children provides exceptional care to thousands of children every year. In keeping with the hospital's mission and values, the hospital has a financial assistance and charity care program, called Crayon Care, which provides financial assistance to families who qualify.

ELIGIBILITY REQUIREMENTS AND ASSISTANCE

Each family's situation is evaluated by the hospital under the hospital's financial assistance / charity care eligibility criteria, taking into account factors such as annual gross income, household size, medical expenses, and the ability to pay.

Families with an annual gross income at or below 2 times the Federal Poverty Guidelines (FPG) are eligible for a 100% discount.

Families with an annual gross income more than 2 times the FPG who have incurred a certain level of medical expenses over the prior year may be eligible for a discount based on a sliding scale.

The hospital may, on a case-by-case basis, consider other situations for financial assistance even if the criteria described above are not established.

No family who qualifies for financial assistance / charity care will be charged more for emergency or other medically necessary care than amounts generally billed to patients having insurance.
