

Camp Joint Adventure Volunteer Camp Counselors

Camp Joint Adventure (JA), sponsored by Texas Scottish Rite Hospital for Children is a camp for patients served at Scottish Rite Hospital between the ages of 7 - 15 who have a rheumatologic disease or other related disorder.

Daily activities such as swimming, fishing, boating, horseback riding, crafts, sports and games, nature exploration, ropes course, and more are both fun and educational. The goals of camp are to foster independence, self-confidence, a positive attitude, develop and improve communication and problem solving skills in an enjoyable "can do" setting. Camp is held at Camp John Marc located in Meridian, Texas.

To complete an application and complete the needed forms for serving at camp please go to app.campdoc.com/register/joint-adventure

Camp Dates: July 29 – August 4, 2017
